Terracotta and Wine

Amphora wine-making experiences from around the world

Impruneta
Antica fornace Agresti
24-25 November 2018

Programme::

Saturday 24th November

9.30 am Opening of the event and exhibition stands.

10.30 am - 1.30 pm The Conference: **Terracotta for Professional Precision Winemaking.**
A comparison of past and present.

Speakers:

- **Tania Martellini**, University of Florence
The comparison of the chemical/sensorial characteristics of Sangiovese and Cabernet Franc wines made in Amphora and Stainless steel.
- **Prof. Franco Cambi**, Lecturer of Landscape Archaeology, University of Siena.
The Wine of the Romans: between landscape, technology and taste
- **Prof. Manuel Malfeito-Ferreira**, Higher Institute of Agronomy, University of Lisbon
Amphora Wines: the details that make all the difference
- **Dr Artur Petrosyan**, Archaeologist, Institute of Archaeology and Ethnography of the National Academy of Sciences of Armenia
Echoes of Terracotta. The making of an Ancient wine from the oldest winery on earth.
- **Dr Paul J. White**, Oxford University
The March of the Terracotta Warriors. A Global overview of Amphora Wine.

3.00 pm **Presentation and tasting of beers produced in Amphora by the three Breweries present at the event**

7.00 pm Closing time.

Saturday 25th November

9.00 am Round table of producers and experts on "State-of-the-art" Amphora Wine (on invitation only)

10.30 am Opening of the event and exhibition stands.

11.30 am **Four Continents in Amphora**
Guided wine tasting of Amphora wines from Europe, the United States, Australia and Asia.
Conducted by Adriano Zago and Francesco Bartoletti.

18.00 am **Special Event:**
"The sound of earth"
/handlogic in concert

In exclusive for "Terracotta and Wine" the group Handlogic will perform their own refined music for which they are becoming famous throughout Europe and in addition these talented artists will also give a fascinating and unique performance using as musical instruments amphorae, pots, jars and other objects in Impruneta clay.

Wine Shop and Restaurant

Inside the location of the event there is a refreshment point consisting of "islands" of Tuscan gastronomic specialities selected in collaboration with Slow Food Florence.

There is also a Wine shop where you can buy the wines (and beers) of the participating producers
